Hosting

A broad spectrum of hosting packages

Windows 2003 Servers offer unmatched reliability and speed

Hosting with myalgarveweb.com is quick, easy and affordable. All of our packages are complete, ready to run solutions for the private or business user, the web designer or developer.

All accounts are managed through a password protected control panel. A full help manual is available as a downloadable PDF file.

Full support is provided by telephone or e-mail.

Only latest Win-

dows 2003 servers with full support for ASP, ASP.NET, Perl, CGI, ISAPI and other technologies are used.

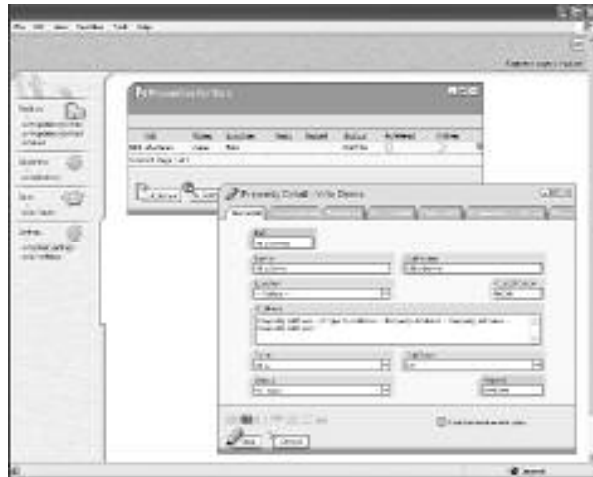

Our hosting packages start at a

competitive 20 Euros per month including 100 MB of hard disc space, 1 GB of Traffic, 10 POP3 E-Mail Accounts and 1 Domain.

Microsoft Access database are included, whilst Microsoft SQL Server 2000 can be added at a cost of €30 per month.

Please visit us on myalgarveweb.com for complete specifications of our hosting packages and optional extras.

All accounts subject to an initial setup fee of €10.
